

Need a little help?

Here's how to find an online tutor:

1 Determine the day and time of availability for the tutoring you need. Note the ID number for the tutor – this is the meeting ID number for your tutor on the day you have chosen.

2 Sign in to your SLU Zoom account from your okta portal.

3 Select Join a Meeting and enter the meeting ID number.

4 The meeting will open and you have options to join with audio and/or video.

5 You are ready to work with a tutor! Be prepared to provide an SLU ID#, the name/number of the course, and any materials or notes to help the tutor assist you. Remember, the tutor can not offer direct help with homework or quizzes!
