Career Services welcomes our February leader and Saint Leo University alumnus, Mr. Vinicius Guabiraba, MBA '19. Vini has recently worked through the process of applying for and obtaining OPT, and securing a fulltime role with Transferwise in Tampa; utilizing all the resources provided by MISO and Career Services to help international students prepare for employment in the United States.

This is the time of year for all May 2020 graduates with F-1 visas to begin applying with the USCIS for OPT. Don't miss out on great advice for your international job search from someone who has been there!
