

Student Success Week: Navigating Cyberspace

September 14th-18th, 2020

Student Success Week is a weeklong, student-centered event featuring an array of engaging, interactive, and educational activities presented by students, staff, and faculty of Saint Leo University. This collaborative series is intended to provide students with tools & strategies that promote progression and retention. Sessions are open to all students.

New this Semester: Meet Your Major! Connect with other students within your college to network and share your Saint Leo University Experience thus far. Come join our virtual connection time!

Meetings will be hosted by your Student Success Coach. Find your college and your SSC to know which session to attend.
